Student Code of Conduct

CPo106

Broughton Anglican College
St Peter's Anglican Grammar
St Peter's Heart

1. Introduction

Campbelltown Anglican Schools' Council develops and reviews policies necessary for the proper functioning, governing and operation of Campbelltown Anglican Schools to manage risk, provide strategic guidance, monitor strategic progress and operational performance and to satisfy its legal obligations (see s*ection* 47, NSW Education Act and the NESA Registration & Accreditation manual).

2. Policy Statement

This Code of Conduct outlines the standards of behaviour expected of all Campbelltown Anglican Schools (CAS) students. This code sets out general expectations and principles of the standards of behaviour that are required as students work in safety and in support of each other and staff. Each student, with God's help, fulfills his or her responsibilities with integrity and respects the rights of others in the School and community.

The policy outlines how students will develop self-discipline, consideration of others and care for CAS property and reputation.

3. Biblical Basis

Those who are saved by God through the death and resurrection of Jesus are also blessed with having the Holy Spirit in their lives. In the strength of the Holy Spirit, God's people exhibit the fruit of the Spirit – the greatest of these being love. The simplified version of a code of conduct could simply be, "love the Lord you God with all your heart, soul and mind and love your neighbour as yourself". This policy supports this great commandment.
